Databases - Religion & Philosophy Research Guide ... Full-text journal articles, book reviews, and collections of essays across all fields of religion and theology including Biblical studies, world religions, church history, and religious perspectives on social issues from 1949 to the present

Buddhist philosophy - Wikipedia Buddhist philosophy refers to the philosophical investigations and systems of inquiry that developed among various Buddhist schools in India following the death of the Buddha and later spread throughout Asia. Buddhism's main concern has always been freedom from dukkha (unease), and the path to that ultimate freedom consists in ethical action (), meditation and in direct insight into the nature ...
