Untangling Heroism: Classical Philosophy and the Concept of the Hero by Ari Kohen The idea of heroism has become thoroughly muddled today. In contemporary society, any behavior that seems distinctly difficult or unusually impressive is classified as heroic: everyone from firefighters to foster fathers to freedom fighters are our heroes. Untangling Heroism | Classical Philosophy and the Concept ... *Untangling Heroism argues for the existence of three categories of heroism that can be traced back to the earliest Western literature – the epic poetry of Homer and the dialogues of Plato – and that are complex enough to resonate with us and assist us in thinking about heroism today. Kohen carefully examines the Homeric heroes Achilles and Odysseus and Plato’s Socrates, and then compares the three to each other. Untangling Heroism: Classical Philosophy and the Concept ...
