Newcomers can secure their family life as the starting point for their integration under the procedures in traditional countries of immigration, most Northern European countries and new countries of labour migration (e.g. IT, PT, ES). Parental leave - Wikipedia Parental leave or family leave is an employee benefit available in almost all countries. The term "parental leave" generally includes maternity, paternity, and adoption leave. A distinction between "maternity leave" and "parental leave" is sometimes made- maternity leave as the mother's leave time directly before and after childbirth and parental leave being the time given to care for newborns.
