His economical and understated style—which he termed the iceberg theory—had a strong influence on 20th-century fiction, while his adventurous lifestyle and his public image brought him admiration from later generations. Hemingway produced most of his work between the mid ... Empire - Wikipedia An empire is an aggregate of nations or people ruled over by an emperor, or other powerful sovereign or government. The territory of an empire is usually larger and of greater extent than the one of a kingdom. An empire can be made solely of contiguous territories, such as the Austro-Hungarian Empire, or of territories far remote from the homeland, such as a colonial empire.
